

PREVENTATIVE MAINTENANCE PROGRAM

SOLUTION MINDED. CUSTOMER FOCUSED.

As part of FSC's Preventative Maintenance Program, our service technicians use only the highest quality replacement parts, fluids, and testing equipment.

ELIMINATE EMERGENCIES

FSC will take responsibility for care and maintenance of all your hydraulic equipment. Our focus "Up-Time" service allows your maintenance team to spend their valuable time repairing and maintaining other equipment.

EXTENDED WARRANTY

Experience peace of mind with FSC. Following our service, we extend the warranty on your product, regardless of its age or whether it was initially purchased from us. Our FS warranty is valid for one year.

EXPERIENCE. SAFETY. EXCELLENCE.

At FSC, our years of expertise speak for themselves. With a safety record of zero incidents, we guarantee a commitment to excellence and a secure project environment for you.

WHAT WE TAKE OWNERSHIP OVER

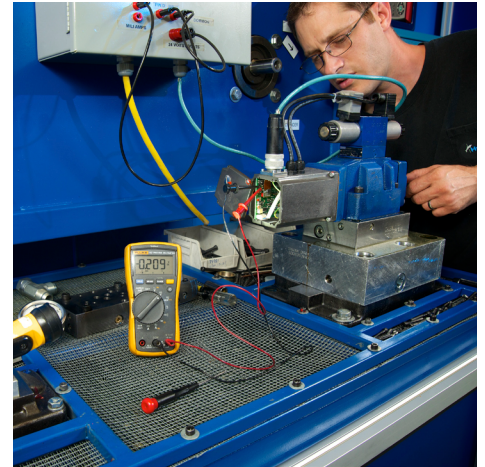

REPORTING

- Oil sample analysis & exception
- Temperature readings & exception
- Infrared readings

INSPECTION
